Zain was sad because he had lost everything in the fast flowing water. Every time, he closed his eyes, he saw the scene of things, washed away by the flood. A rescue team took them in the boat to a relief camp. At the camp the victims were given food, shelter and medicines. There, he was upset and wanted to do something so that people would not suffer every year. At the relief camp there developed a program. The gathered people were told what to do before, during and after a flood. The night after program he did not see the scene. Instead he dreamt he was now glad and content.
